

Grass DIRECT

Antigua

Product Description

Antigua offers superb quality with a dense, soft pile that creates a comfortable surface - perfect for families with young children who love spending time in the garden. Designed with C-shaped yarn, it offers excellent resilience, allowing fibres to spring back into place after foot traffic to help prevent matting or tangling.

With a four-star softness rating and a four-star wearing rating, Antigua is built to last while remaining silky soft. Its rich green tone, combined with four natural colour blends, gives it a beautifully authentic appearance that will keep your garden looking fresh all year round.

Range Details	Properties	Technical Data	Technical Specification
Construction	PE & PP	Machine Gauge	3/8 inch
Secondary Backing	Latex	Yarn Shape	C Shape
Pile Height	35mm	Stitches per 10 cm	17+/- 10%
Total Weight	1538g/m ²	Fire Classification	Efl
Roll Width	4 metres	UV Resistance	3000h tested
		Colour Fastness	Grade≥3
		VOC Emissions Rating	Low Emissions

Installation Guidance	Properties
Recommended Adhesive	Artificial Grass Flex Adhesive
Recommended Membrane	Weed Suppressant Membrane
