Product Description

Our Amalfi grass scores five out of five stars in both of our softness and wear ratings, offering luxurious grass that is durable in nature. The diamond shape of the yarn provides a uniformed look of freshly cut grass all year round, whilst the 4 yarn blend offers a realistic, natural appearance. Our Amalfi grass feels like a plush carpet under your feet, it is perfect for young children or even babies learning to crawl. If you're looking for high-quality grass that will stand the test of time, look no further. It may be lavishly soft, but that doesn't mean it lacks in wear. With a five-star wear rating, this grass shouldn't be underestimated, it will keep up with your ever-changing lifestyle.
