

# Bahamas

## Product Description

Bahamas is one of our most realistic-looking artificial grasses, carefully designed to mirror the natural variation found in real lawns. By combining different yarn colours, shapes and blade sizes, Bahamas achieves an authentic appearance that closely resembles the look of freshly grown grass.

Just like natural turf, no two blades are the same - and that's what makes Bahamas stand out. The varied tones and textures create a beautifully lifelike finish that enhances any outdoor space.

Range Details	Properties	Technical Data	Technical Specification
Construction	PE & PP	Machine Gauge	3/8inch
Secondary Backing	Latex	Yarn Shape	Flat
Pile Height	45mm	Stitches per 10 cm	28 ±10%
Total Weight	3250g/m2	Fire Classification	Efl
Roll Width	4 metres & 5 metres	UV Resistance	3000h tested
		Colour Fastness	Grade 4
		VOC Emissions Rating	Low Emissions

Installation Guidance	Properties
Recommended Adhesive	Artificial Grass Flex Adhesive
Recommended Membrane	Weed Suppressant Membrane
