

Bahamas

Product Description

Bahamas is a beautiful artificial grass that truly presents a realistic appearance. Expertly constructed with a multi-shape yarn and recyclable backing, which helps provide its natural look, adding a touch of luxury to your garden whilst also being environmentally friendly. The 6 yarn colour blend helps exude depth and further adds to the true grass feel but don't worry as the elite UV protection means that this won't fade with the effects of direct sunlight. The luxuriously plush 42mm pile height is perfect to sink your feet into and is the ideal place for children and pets to play. Complete with a low VOC emissions rating, this grass is safe for the whole family to enjoy!

Range Details	Properties	Technical Data	Technical Specification
