

Cairns

Product Description

If you're tired of the upkeep of your lawn and looking for a low-maintenance option, then the Cairns artificial grass could be the ideal choice for you. Boasting a 4-star softness rating, this artificial grass is the perfect alternative to a natural lawn and provides the ideal surface for your garden, whether it be for a soft place to sunbathe or a safe place for kids to play! The C shape yarn offers great resilience and helps to bounce back once stepped on. The 4-star wear rating provides added peace of mind that your lawn will look amazing all year round and is sure to stand the test of time. Complete with an A+ VOC emissions rating, this grass is safe for the whole family to enjoy!
