

Geneva

Product Description

Geneva is a great budget grass that combines a decent level of pile height with a realistic-looking yarn. The 25mm yarn offers enhanced comfort, with a soft feel beneath your feet making it the perfect place to relax and a safe place for kids to play without having to worry about mud. The C shape yarn offers great resilience and helps to bounce back once stepped on. Geneva boasts an impressive 4-star rating softness rating and 3-star wear rating, so you can be sure you are getting high-quality grass. Complete with an A+ VOC emissions rating, this grass is safe for the whole family to enjoy!

Range Details	Properties	Technical Data	Technical Specification
Construction	PP & PE Fibres	Fire Certification	Efl
