

# Hollywood

## Product Description

Hollywood is a great, dense and resilient grass that is very aesthetically pleasing to the eye. If you like the look of a perfect lawn that's just been trimmed, then Hollywood is a great choice for you. Whether you're looking for grass that your kids can play on, or that you can host family BBQs on, it will keep up with your ever-changing routine. Hollywood grass is super resilient and made to last, it is perfect for heavy wear.
