

Hollywood

Product Description

Hollywood is a great, dense, and resilient grass that is very aesthetically pleasing to the eye. The narrow C shape of the yarn offers exceptional resilience and presents the look of a perfect lawn that's just been trimmed. The plush 30mm pile height has an impressive four-star softness rating and a five-star wear rating, making Hollywood comfortable underfoot but also reliable. Easy to install and even easier to enjoy all year round. Complete with a low VOC emissions rating, this grass is safe for the whole family to enjoy!
