

Monaco

Product Description

Monaco is one of our top of the range grasses that score at the top of its class for density, resilience, and softness. With five stars across the board, Monaco is the ultimate artificial grass. If you're looking to transform your garden and create a luxurious haven, this is the grass for you. This rich green grass is striking, while still looking natural due to its composition of four different blends of yarn. The luxuriously plush 42mm pile height is perfect to sink your feet into and is the ideal place for children and pets to play, whilst the diamond shape of the yarn provides a uniform look and will give you that fresh and clean finish of fresh-cut lawn all year round. Complete with a promise of low VOC emissions, Monaco is safe for the whole family to enjoy!
