

Oasis

Product Description

If you're looking for healthy-looking grass look no further. Oasis is the perfect choice for family homes, boasting a 4-star wear rating that will provide much-needed protection and durability, so you can live peacefully in the knowledge that your new lawn will stay in great shape for longer! No matter what activities you have planned for your new grass, it is there to support your busy lifestyle. The bright colour of Oasis is especially good in shady gardens or yards, whilst the C shape yarn offers great resilience and helps to bounce back once stepped on. Complete with a low VOC emissions rating, this grass is safe for the whole family to enjoy!
