

Porto

Product Description

Porto is presented in a beautiful light meadow colour, adding a vibrant and bright feel to your garden especially if your garden doesn't get much light. Boasting an impressive four-star softness and wear rating makes Porto an instant family favourite, as it is durable by design but soft beneath your feet. The 30mm pile is cut to C shape providing great resilience of the yarn which bounces back once stepped on so you aren't left with footprints in your grass. Complete with a low VOC emissions rating, this grass is safe for the whole family to enjoy!

Range Details	Properties	Technical Data	Technical Specification
Construction	PP & PE Fibres	Fire Certification	Efl
Primary Backing	PP & Non Woven Fabric	UV Resistance	3,000 Hours
Secondary Backing	SBR latex	Number of Tufts	21000
Pile Height (mm)	30mm	Machine Gauge	3/8 inch
Total Height (mm)	32mm	Yarn Shape	C Shape
Pile Weight (gr/m ²)	1030	Stitches per 10cm	20/10cm
Total Weight (gr/m ²)	2330	Colour Fastness	3,000H UV Grey Scale 4
Number of Shades		VOC Emissions Rating	Low Emissions

Installation Guidance	Properties
Recommended Membrane	Weed Suppressant Membrane
Recommended Adhesive	Artificial Grass Flex Adhesive

Warranty Type	Years
Residential	4
