

## Tuscany

### Product Description

Do you want a perfect lawn all year round? Well look no further than our Tuscany Artificial Grass. Offering a super-soft feel underfoot that is perfect for the whole family to enjoy, the C-shaped yarn provides exceptional resilience and simply bounces back to position. Consisting of four blends of coloured yarn, Tuscany has a beautiful natural appearance that will stay looking vibrant all year round!

Tuscany is available in a variety of pre-cut rolls, allowing for quicker delivery for your convenience. If you can't locate the size you need, don't worry—our rolls can be easily joined together, and the realistic pile will prevent any join lines from being seen.

Range Details	Properties	Technical Data	Technical Specification
